MESSAGE FROM THE DEAN

Music has been a part of the University of Toronto for more than a hundred and forty years. The first Bachelor of Music degree was granted in 1846 and the present Faculty of Music was established in 1918, the first faculty at a Canadian university for the scholarly and professional study of music. Over the years our graduates have come to occupy important positions in virtually every major musical organization in Canada and throughout the world from Berlin to Hong Kong, from Cleveland to Auckland.

The Edward Johnson Building, home of the Faculty of Music, is located on the main campus of the University of Toronto in midtown Toronto, on a subway line, and close to the city's libraries, concert halls, galleries, museums and theatres. The music library is the major research music collection in Canada and includes a vast collection of sound recordings in the Sniderman Recording Archives. The MacMillan Theatre is a fully equipped opera house; Walter Hall is one of the city's major chamber music halls. But a music

school finally depends on the people in it, and the staff of the Faculty of Music is made up of the finest scholars, composers and performers with outstanding reputations in Canada and abroad.

With only about 400 undergraduate students, we remain a relatively small school, one where there can be close association among students and between students and teachers. At the same time we are large enough to offer an extraordinary variety of opportunities for learning and for experiencing all kinds of music. There is not a day without a lecture, seminar, masterclass or performance of special note; our chamber ensembles, early music group, orchestra, contemporary music ensemble, opera program, concert band, wind symphony, concert choir and university singers provide all students with the practical opportunities both to perform and to hear a vast range of musical repertoire as part of their studies within the Edward Johnson Building. And outside our building students have access to the entire intellectual resources of the University of Toronto, and the brilliant international concert life of the city of Toronto.

Whether your interest is to be a composer, a scholar, a performer or a teacher, this Calendar will provide all the basic information about our programs, entrance requirements, scholarships and teaching staff. Should you have further questions, please write to the Admissions Office, Faculty of Music, University of Toronto, Toronto, Ontario M5S 1A1. We will be happy to hear from you.

Carl Morey
Dean

Piano, organ, harpsichord / Gr 10
Orchestral/band instruments, classical guitar, accordion (free bass, chromatic left-hand), voice, or historical instruments / Gr 8

2 Degree Program in Performance/ Artist Diploma Program

Major Performing Medium

All candidates are required to audition, with superior performing ability expected. To assist with the selection of an audition program, applicants may refer to the appropriate syllabus of the Royal Conservatory of Music (Toronto) at the grade level noted below:

Piano / ARCT
Orchestral/band instruments, classical guitar, voice, organ*, accordion (free bass, chromatic left hand), historical instruments / Gr 10
*organ not available in Artist Diploma Program

3 Licentiate Diploma Program – Piano only

A high level of playing ability is required, but the emphasis of the program is on teaching methods. To assist with the selection of an audition program, applicants may refer to the ARCT list of the RCMT piano syllabus.

4 All Programs

Auditions are held from the end of February to the beginning of May; an earlier audition may be arranged. Audition programs must be approved by the Faculty of Music before an audition date will be assigned. Applicants living more than 800 km (500 miles) from Toronto may submit a taped audition. A \$15 non-refundable fee is levied for the application and audition procedure.

Interview (held with the audition)

Candidates are interviewed about their general musical knowledge and interests; brief tests on ear discrimination and theoretical skills will be conducted.

Theory All applicants are expected to have completed RCMT Grade 2 Rudiments and RCMT Grade 3 Harmony (or an acceptable equivalent). Candidates without these qualifications will write a Special Entrance Examination in Theory, set by the Faculty of Music.

Keyboard Proficiency is not an admission requirement for the Faculty of Music. However, students whose major instrument is not piano will find that piano skills at the level of Grade 6 (RCMT) or equivalent will assist them in their studies. The Faculty does not require proof of (i.e. certificates) nor an examination in keyboard proficiency.

ADVANCED STANDING AND TRANSFER CREDIT

Advanced Standing in Applied Music is determined on the basis of the interview/audition.

Transfer Credit for work completed at another university will be assessed on the basis of individual course content, grade achieved and equivalency to courses relevant to the student's program in the Faculty of Music. Requests for Transfer Credit should be submitted prior to registration, and no later than the end of the second week of classes, using the special form available from the Music Admissions Office. Detailed course descriptions, an official transcript and any other useful information should accompany the request.

Each student must register in the Edward Johnson Building in September as specified in the Schedule of Dates. Detailed information concerning course selection, auditions, placement tests, etc., will be mailed to returning and newly admitted students in the summer months.

The Faculty of Music reserves the right to withdraw courses listed in this Calendar, limit course enrolment, or make substitutions in a student's academic program, without giving prior notice.

The auditing of courses is not permitted in the Faculty of Music.

Confirmation of Courses

Students will be asked to check their courses in October to ensure that records are correct. In confirming courses, students are required to accept responsibility for their course registrations by signing and dating the program sheet.

Letter of Permission (Study Elsewhere)

Students wishing to complete one or more courses at another university, for credit towards a Faculty of Music degree or diploma, must apply **in advance** to the Assistant Dean. Calendar descriptions and course outlines must be provided. An official Letter of Permission will be issued only for courses relevant to the student's program and deemed to be fully equivalent to an appropriate University of Toronto course. **Credit will not be given for courses taken elsewhere without a Letter of Permission from the Faculty of Music.** A fee of \$25 is levied for such letters.

FINAL EXAMINATIONS

Final examinations are held in April and May (for Y,S,H and B courses). Final examinations for F and A courses are held in December. Refer to the Schedule of Dates for details of the current year's exam dates.

Students should not make travel or other commitments until the exam timetables have been published.

Mis-reading of the examination timetables will not be accepted as grounds for petitions or academic appeals.

1 Standing in a Course

Standing in a course requires a final mark of 50% or higher. The Faculty of Music uses the following grading system, excepting courses for which CR (Credit) or NCR (No Credit) apply:

Mark %	Grade
80 – 100	A Excellent
70 – 79	B Good
60 – 69	C Adequate
50 – 59	D Marginal
35 – 49	E Inadequate
0 – 34	F Wholly Inadequate

2 Standing in a Year

To receive standing in any year, a student must obtain an overall average of 60% or higher, based on the following scale:

Mark %	Grade
80 – 100	A
70 – 79	B
60 – 69	Pass
Less than 60%	Fail

A student will full-time status who obtains an "A" standing in the final year will graduate "With Honours".

Failure in First Year

A student who fails first year must reapply for admission through the Assistant Dean and will be considered with other first-year applicants; re-acceptance is not automatic.

A student repeating first year must achieve a cumulative average of 60% in the second attempt. Failure to do so will result in suspension from the Faculty.

Probationary Status

Students beyond first year whose cumulative average is below 60% will be placed on probation. Failure to achieve a cumulative average of 60% or better at the end of the probationary year will result in suspension from the Faculty for at least one year. A degree or diploma will not be granted if the cumulative average is below 60%

Students who fail pre-requisite courses may find they are unable to enrol in a full program of the next higher year.

GRADING PRACTICES POLICY

The University of Toronto has adopted an official Grading Practices Policy to ensure that grading practices throughout the University reflect appropriate standards, and that the evaluation of students is made in a fair, objective manner. The policy also ensures that the academic standing of every student can be assessed accurately even when courses have been taken in different divisions of the University and evaluated according to different grade scales. The policy applies to all individuals and committees taking part in the evaluation of student performance in degree, diploma and certificate credit courses, excluding courses in the School of Graduate Studies. Grading practices within the Faculty of Music are consistent with the University's policies. The full text, with Faculty of Music amendments, is available in the Office of the Assistant Dean and Registrar. The major points, of which all students should be aware, are:

- 1 As early as possible in each course and no later than the last date for registration in a course, the instructor shall make available to the class the methods by which student performance shall be evaluated, including whether the methods of evaluation shall be essays, tests, examinations, etc., the relative weight of these methods in relation to the overall score, and the timing of each major evaluation.
- 2 After the methods of evaluation have been made known, the instructor may not change them or their relative weight without the consent of at least a simple majority of the students enrolled. Any changes shall be reported to the division or department.
- 3 Student performance in a course shall be assessed on more than one occasion. No one essay, test, examination, etc., should have a value of more than 80% of the grade.
- 4 In courses that meet regularly as a class there normally will be an examination (or examinations) conducted formally under divisional auspices and worth (alone or in the aggregate) at least one-third of the final grade. The relative value of each part of an examination shall be indicated to the student. In the case of a written examination, the value shall be indicated on the exam paper.
- 5 Commentary on assessed term work and time for discussion of it shall be made available to the student.

- 6 At least one piece of term work which is a part of the evaluation of a student performance, whether essay, report, review, etc., shall be returned to the student prior to the last date for withdrawal from the course without academic penalty.
- 7 Grades shall be recommended by the instructor in reference to the approved scales on the basis of each student's overall performance.
- 8 The Faculty of Music, through the Faculty Council, may exempt some courses from any of the above criteria.

Approval of Grades

Grades shall be recommended by the instructor to the division head. The grades shall then be reviewed and approved following the divisional review procedure. Grades shall not be reported or released to students as official until the divisional review has been carried out. The divisional review constitutes final approval of grades except when grades are changed on appeal.

Divisional Review Committee

(N.B. "Division" here refers to the Faculty of Music as a whole, not to the separate divisions within the Faculty.)

In each division, a committee chaired by the divisional head or a designate shall:

- (a) administer the implementation of the University Grading Practices Policy at the divisional level and oversee the general consistency of grading procedures within the division;
- (b) formulate, approve, and administer the division's specific regulations concerning the grade scale or scales to be used, the assignment of non-grade symbols for course work, classroom procedures and approved methods of evaluation;
- (c) review, adjust and approve course grades recommended by instructors. The grades recommended for any individual student in the professional faculties may be adjusted according to his or her performance in the course or program as determined by the committee. *The divisional committee has the final responsibility for assigning the official course grade.*

Student Access to Examination Papers

- (a) All divisions should provide access to copies of the previous year's final examination papers, where feasible. Exemptions may be granted by an ap-

propriate committee of the division or department.

- (b) All divisions should provide students with the opportunity within a reasonable time to review their examination paper where feasible. A recovery fee should be set to cover administrative costs including photocopying.
- (c) All divisions should provide, in addition to the customary re-reading of papers and the re-checking of marks, the opportunity for students to petition for the re-reading of their examination where feasible. A cost recovery fee should be set and returned where appropriate.

Conflict of Interest

Where the instructor or a student has a conflict of interest, or is in a situation where a fair and objective assessment may not be possible, this should be disclosed to the division head who shall take steps to ensure fairness and objectivity.

CODE OF BEHAVIOUR ON ACADEMIC MATTERS

The Governing Council of the University of Toronto has approved a Code of Behaviour which sets out clearly the standard of conduct in academic matters expected of members of the University community. The Code is enforced by the Provost and the Disciplinary Tribunal. Below are extracts from the Code, covering offences and sanctions as they apply to students. The full text is available from the Office of the Assistant Dean & Registrar.

Offences

In order to protect the integrity of the teaching, learning and evaluation processes of the University, it shall be an offence for any member, either at the University, at another educational institution or elsewhere,

- (a) (i) to use or possess an unauthorized aid or aids or obtain unauthorized assistance in, or to personate another person at any academic examination or term test or in connection with any other form of academic work;
- (ii) to represent as that of the member in any academic work submitted for credit in or admission to a course or programme of study or to fulfill a requirement for any degree, diploma or certificate, any idea or expression of an idea or work of another;

- (iii) to submit for credit in any course or programme of study, without the knowledge and approval of the member to whom it is submitted, any academic work for which credit has previously been obtained or is being sought in another course or programme of study in the University or elsewhere;
- (iv) to submit for credit in any course or programme of study any academic work containing a purported statement of fact or reference to a source which has been concocted.

- (c) to remove books or any other library material from a University library without proper authorization, to mutilate library material or misplace it, or in any other way to deprive another member or members of the University of the opportunity to have access to library resources.
- (d) to make use of a computer for an unauthorized purpose or for any purpose other than that for which the computing access code was granted, or to access, use, alter, modify, read or copy datasets that do not belong to the member or are not intended for the use of the member, or to interfere with the legitimate use of a computer by another member or members, or to make use of an account or access code not legitimately belonging to the member or without the knowledge and permission of a member to whom it legitimately belongs; or
- (e) to access any University computer system without proper authorization, to modify, remove, use or prevent access to its programs or datasets, to damage or mutilate a computer, or in any way to deprive another member or members of the University of the opportunity to have legitimate access to computer resources.

Sanctions

1. One or more of the following sanctions may be imposed by the Dean where a student or former student admits to the commission of an offence:
 - (a) censure;
 - (b) assignment of a mark of zero or a failure for the piece of academic work in respect of which the offence was committed;

- (c) assignment of a penalty in the form of a reduction of the final mark;
 - (d) denial of privileges to use any facility of the University, including library and computer facilities;
 - (e) assignment of a mark of zero or a failure for the course in respect of which the offence was committed;
 - (f) suspension from attendance in a course or courses, a programme, an academic Division or unit, or the University for a period of not more than twelve months.
2. One or more of the following sanctions may be imposed by the Tribunal upon conviction of any student or former student of any offence:
 - (a) the sanctions enumerated in clause 1 above;
 - (b) suspension from attendance in a course or courses, a programme, an academic unit or Division, or the University for such period of time up to five years as may be determined by the Tribunal;
 - (c) assignment of a mark of zero or a failure for any completed course or courses in respect of which any offence was committed or in any course or courses which have not been completed at the time the offence was committed;

 - (e) recommendation for revocation of one or more degrees, diplomas and certificates.

Sanctions 1e through 2e are normally recorded on the transcript for a minimum period of five years.

Note: Withdrawal from a course prior to an offence being discovered will not preclude or affect any proceedings at the Departmental or decanal level, or prosecution before the Tribunal. After an offence is alleged, students may not withdraw from a course.

PROCEDURES FOR SUBMITTING PETITIONS AND ACADEMIC APPEALS

Petitions

Students seeking exemption or other variations from academic regulations during the school year should apply to the Coordinator, Student Records and Counselling (Room 141) for an official Petition form. Before the Petition is written students must consult with the Coordinator or the Assistant Dean to ensure that a Petition is clearly worded and appropriate to the situation.

To enter a Petition, the student prepares a written statement:

- stating clearly the special consideration requested;
- stating clearly the reasons(s) why the student believes an exception to the rules is appropriate; and
- appending supporting documents (letters, medical certificates etc)

Medical certificates submitted must indicate the following:

- that the student was examined at the time of the illness;
- the nature of the illness and duration of the debility;
- the physician's professional opinion as to whether the student should receive special consideration on medical grounds.

Upon completion, the document should be submitted to the Coordinator, Student Records and Counselling, for presentation at the next meeting of the Petitions Committee. Students are notified in writing of the decision.

ACADEMIC APPEALS

The Academic Appeals Committee of the Council of the Faculty of Music has been established as the formal structure within the Faculty for the hearing of appeals against a final mark in a course. Within the Faculty, final decision on an appeal rests with this Committee, which reports to Faculty Council for information.

It is not necessary to submit a formal Appeal to request that a final examination be re-read, or that a grade be re-calculated. Such requests may be submitted as Petitions; a fee of \$10.00 is levied, refundable if the decision is in the student's favour.

Procedures

- 1 A student wishing to appeal a final mark must first arrange an interview with the instructor and/or the divisional coordinator.
- 2 If this meeting does not resolve the question satisfactorily, the student will then meet with the Assistant Dean to discuss the preparation and submission of the official Appeal.
- 3 **Time limit – Appeals must be submitted within ninety days of the issuing of the official Statement of Results.**
- 4 The written notice of appeal must state the nature and grounds of the appeal and must be accompanied by any documents or mate-

rial which will be used in support of the appeal. If the appellant is unable to obtain part of the supporting documentation within the ninety days deadline, an application may be made to the Dean of the Faculty of Music for an extension of time, not to exceed thirty days.

Note: No Appeal will be accepted unless the grounds are reasonable and clearly stated. Supporting documentation will not be accepted after the deadline, unless prior approval has been given for late submission.

- 5 Receipt of the appeal will be acknowledged by the Chairman of the Academic Appeals Committee in a letter sent by registered mail or other receipted delivery. It is the responsibility of the appellant to ensure that a current mailing address is provided to the Chairman.
- 6 The Chairman will set a date and time for the appeal to be heard. The appellant will be notified of the date, time and place of the meeting by registered mail or other receipted delivery, at least two weeks prior to the meeting date.
- 7 The student has the right to appear before the Academic Appeals Committee, with or without an adviser. If the student intends to be accompanied by an adviser this must be communicated on the notice of the appeal.
- 8 The Academic Appeals Committee is required to arrive at a majority decision and this decision, together with reasons for the decision, will be sent to the appellant by registered mail or other receipted delivery within two weeks of the hearing of the appeal.
- 9 A further appeal from the decision of the Faculty of Music Academic Appeals Committee may be commenced by filing a notice of appeal with the Secretary of the Academic Appeals Board of the Governing Council of the University of Toronto, **no later than ninety days** after the decision from which the appeal is being taken has been communicated in writing to the appellant.

AEGROTAT STANDING

If the ability of a student to complete a course is affected by illness or domestic problems beyond his/her control, a petition may be made for special consideration. If there are adequate grounds, the Faculty will determine the status of the work already done and the steps that must be taken to complete the

course. Alternatively, a recommendation may be made by the Faculty to grant Aegrotat Standing in the course. Petitions must be filed with the Assistant Dean on or before the last day of the relevant final examination period, together with a medical certificate including the statement that the student was examined at the time of the illness, or other relevant documentation. If necessary, the medical certificate or documents may follow, but the petition must be submitted before the examination period ends; **late petitions will not be considered.**

Aegrotat Standing in a course carries the "AEG" designation on the official transcript; no numerical or letter grade is assigned.

The Faculty of Music reserves the right not to grant Aegrotat Standing more than once to any one student.

ACCESS TO STUDENT ACADEMIC RECORDS

The University of Toronto has established an official policy on Access to Student Academic Records. The full text is available in the Office of the Dean, or the Assistant Dean; the extracts published below provide an overview of the main points of the policy.

The "official student academic record" shall contain:

- (a) Registration and enrolment information; fees forms.
- (b) Results for each course and academic period.
- (c) Narrative evaluations of a student's academic performance, used to judge his/her progress through an academic program.
- (d) Results of any petitions and appeals filed by a student.
- (e) Medical information relevant to a student's academic performance which has been furnished at the request or with the consent of the student concerned.
- (f) Letters of reference which may or may not have been provided on the understanding that they shall be maintained in confidence.
- (g) Personal information which is required in the administration of academic records such as name, address, telephone number, citizenship, social insurance number.

Upon written request a student may, within 30 days of the receipt of the request, examine and have copies made of his/her academic record as defined above, with the

exception of letters of reference which have been provided on the understanding that they shall be maintained in confidence.

Members of the teaching and administrative staff of the University shall have access to relevant portions of a student's academic record for purposes related to the performance of their duties. A staff member requesting information must have a legitimate need to have the requested information for the effective functioning of the position or office.

Access to medical information shall be granted to members of the teaching and administrative staff only with the prior expressed or implied consent of the student and, if applicable, in the case of a medical assessment, the originator (physician, etc.) of such.

By the act of registration, a student gives implicit consent for a minimal amount of information to be made freely available to all enquirers: the academic division(s) and the sessions(s) in which a student is or has been registered, and the degree(s) received and date(s) of convocation.

Recognized campus organizations in the University shall have access to the above registration information, as well as to the residence address and telephone number of students named by that organization for the legitimate internal use of that organization, excepting those students who have requested that this information not be disclosed.

The University reserves the right to withhold access to the statements of results and transcripts of students who have outstanding debts. The University may also choose not to release the official diploma to such students nor to provide written or oral certifications of degree on their behalf.

ATTENDANCE AND UNSATISFACTORY WORK

Students whose attendance or work is deemed to be unsatisfactory may have their registration cancelled at any time by the Faculty. The Council may suspend a student from registration in the Faculty for a given period of time not exceeding two years for unsatisfactory work. The student must then reapply for admission.

RECITALS

Although students are encouraged to give recitals which are not required as part of their programs, they must receive permission to do so from the Performance Division.

PERFORMING ENGAGEMENTS

During the academic year many students wish to take advantage of performing opportunities that may enhance and complement their studies in the Faculty of Music. Should a scheduling conflict arise because of a performing opportunity, this must be reported to the Performance Division, where an attempt will be made to resolve the problem. Students must realise, however, that academic obligations take priority over any outside engagement. The Performance Division requires that students complete, *well in advance*, an Outside Engagement form if an absence from the Faculty of Music is to be requested.

TUDENT SERVICES

UNDERGRADUATE ASSOCIATION

The Undergraduate Association is the official undergraduate organization in the Faculty of Music. The object of the Association is "to promote the interests of undergraduates in the Faculty of Music, to cultivate relations between the faculty and the student body in University activities, and to further goodwill among the members themselves."

Officers are elected annually, and these persons, along with appointed committee chairpersons, form the Executive Committee. Various standing committees are responsible for planning and coordinating a number of student functions.

The President of the Association is an ex-officio member of the Faculty Council, and the Association organizes the election of student members to Council.

COUNSELLING, ADVICE AND HELP

Students may seek advice and help from many sources within the Faculty and the University. In the Faculty of Music the Assistant Dean and the Coordinator of Student Counselling are always willing to talk with students on any matter of concern: academic, emotional, financial, domestic or personal problems.

Students having difficulties with any course should not hesitate to bring this to the attention of the instructor. The Divisional Coordinators are also most interested in helping with academic problems. The **University of Toronto Student Health Service** offers a comprehensive range of medical assistance that includes counselling for emotional and psychiatric problems. This service is completely confidential and does not become part of a student's academic file. The Health Service is located in the Koffler Student Services Centre, 214 College Street. (978-8030 Medical; 978-8070 Psychiatric.) There is no charge to students for this Service.

Also in the Koffler Student Services Centre is the **Counselling & Learning Skills Service** (978-7970) where students may receive

special counselling for personal and emotional matters. Trained counsellors will also help with "exam anxiety" and offer advice on learning skills.

Students are encouraged to seek help as soon as a problem becomes apparent. There may be a simple solution immediately available; it is always wise to act promptly.

SERVICES TO DISABLED PERSONS

A Coordinator is available to provide personal support and liaison with academic and administrative departments on campus, and with agencies off-campus, and to organize volunteers to assist in various ways. There are devices to aid print-handicapped students on all three campuses and personal amplification systems to aid hard-of-hearing students for loan from the Coordinator.

The office is located in the Koffler Student Services Centre, 214 College Street, Toronto, Ontario M5T 2Z9

CAREER CENTRE

The Career Centre, located in the Koffler Student Services Centre, provides career counselling and employment services to students and recent graduates. Counsellors are available to assist students in the investigation of careers, clarification of goals and the development of employment-related skills, through workshops and individual appointments. The Career Resource Library is a valuable resource in the formulation of career plans and in the search for employment. It includes calendars for universities and colleges in Canada, the U.S., and overseas, as well as a wealth of information on occupations, career planning and related subjects. Resources to help the job-seeker include market research reports and information on potential employers. During the academic year, the Centre sponsors a series of Career talks at which people from the professions and other fields discuss their career areas. Permanent employment is available to graduating

students through the On-Campus Recruitment Programme which runs from September until March. After that, recent graduates may seek employment through the Permanent Employment Service. Summer and part-time jobs are also posted at the Centre. Seminars on all aspects of the job search are held regularly.

UNIVERSITY HOUSING SERVICE

The University Housing Service maintains a list of U of T residences, including those offering meal plans to non-residents. The Service also lists off-campus independent residences and fraternity dwellings located in the downtown area, all of which operate independently of the University, but give priority to post-secondary students. Since all residence space is limited, students should apply months in advance.

The Service also acts as an admissions office for the Married Student Apartment complex which is primarily for full-time U of T students who are married or who have dependent children, or both. Applications should be made one year in advance.

Services also include a registry of listings, updated daily, provided by city landlords and students advertising rooms in shared houses, usually within 30 minutes travel time from the campus. Temporary accommodation is also listed. It is advisable to rent off-campus housing from August 1st or October 1st to avoid the popular September 1st occupancy date.

To gain access to the St George Campus registry a U of T student card (or offer of admission letter) is required.

More information is available from the U of T Housing Service, Koffler Student Services Centre, 214 College Street, Toronto, Ontario M5S 1A1 416/978-8045.

FINANCIAL ASSISTANCE

The Faculty of Music offers a broad range of scholarships and awards to registered students, and has available a Bursary fund to assist those students requiring financial aid.

Students entering first year in the Faculty of Music undergraduate programs are also eligible for University of Toronto Admission Scholarships; application information is available in most Ontario secondary schools or may be obtained from the University of Toronto's Office of Student Awards.

During the academic year students may take advantage of employment opportunities within the Faculty of Music: orchestra manager/librarians, house managers, cloak-room attendants, ushers, library assistants, occasional office assistance. Requests for student musicians for events within the University are also posted. Details are available in the Office of the Associate Dean, or the Library (for student assistants).

General Information

Students should understand that they themselves must bear the cost of attending university and should not depend on receiving bursaries and/or scholarships from the Faculty of Music or the University of Toronto. It is the policy of the University that students needing financial assistance should consider the first means of help to be their governments' student aid schemes.

A Bursary is an award given to a student who can demonstrate financial need. While need is a major consideration, a student's record must indicate that he or she would benefit from further education. **Application is necessary for a Bursary.**

A Loan is granted to a student demonstrating financial need. The sum loaned must be fully repaid by the student to the loaning body at an interest rate established at the formal completion of the loan agreement. **Application is necessary for a loan.**

A Scholarship or Prize is awarded to a student for high academic and musical achievement. Applications are not normally necessary for scholarships, but students should consult the detailed listings below.

When any award is granted upon standing obtained in part of the work of any academic year, the candidate must obtain standing in the work of the academic year as a whole.

GOVERNMENT STUDENT ASSISTANCE PLANS

The Ontario Student Assistance Program is a student aid package administered by the Province of Ontario. The components of this program are:

Ontario Study Grant Plan

To provide need-tested loan assistance to students from less affluent families, normally for the first four years of post-secondary education.

Canada Student Loans Plan

To provide need-tested loan assistance up to and including the doctoral level of study. Students who have reached "independent" status can be assessed for loan assistance without reference to their families' income.

Ontario Student Loans Plan

To make need-tested loan assistance available to students not covered by the Canada Student Loans Plan. At present this includes students taking less than 60% of a normal course-load and some full-time students whose needs are not fully met by the Canada Student Loans Plan.

Ontario Special Bursary Plan

To ensure that particularly needy part-time students receive grant assistance. There will continue to be an upper limit on the number of courses that a student can take (three university courses, or equivalent) and students will not be able to receive financial assistance from both this program and the Ontario Study Grant Plan at the same time.

All students who are attending the University may qualify for aid under one or more of these plans provided they satisfy the residency requirements and demonstrate financial need as outlined in the Ontario Student Assistance Brochure.

Application forms and brochures will be available in April and may be obtained from the Office of Student Awards, Koffler Student Services Centre, University of Toronto.

PROGRAM REQUIREMENTS

BACHELOR OF MUSIC DEGREE PROGRAMS

General Information

Concentration in the Performance degree and Artist Diploma programs begins in the first year.

Concentration in the Composition, History & Literature, Music Education and Theory programs begins in second year; students are assisted by the staff at the end of first year in choosing a concentration, only one of which may be selected. Minor concentrations are available in Theory and in History & Literature, beginning in third year.

Students must be registered in 12 to 20 units per year; those with a B standing or higher may petition to take more than 20 units.

Basic Music courses are **required**, and taken in the year specified, unless advanced standing or transfer credit has been received. The Basic Music courses are: History of Music, Materials of Music, Sight Singing and Rhythmic Training, Dictation, Keyboard Harmony, Applied Music and Major Ensemble. These courses are designed to establish a basic level of musical knowledge and skill relevant to all concentrations.

A required minimum of four and a permitted maximum of six **Arts & Science** courses is designated for the degree. A full Arts & Science course earns 3.0 units; a half-course, 1.5 units, regardless of the hours per week.

Students are free to choose from any of the courses in the Arts & Science Calendar, provided prerequisites and co-requisites are met. Courses with the prefix MUS are not generally available to Faculty of Music students.

A **Music Elective** is any Faculty of Music course (excluding Basic Music courses) that is not required by the student's major concentration. Students are required to complete a minimum of 6.0 units of Music Electives within the four year program. Students completing a Minor Concentration are not required to enrol in any Music Electives.

NOTE: In the Program outlines listed in the following pages, unit values enclosed in parentheses, e.g. (1.5), indicate that the course is not required for that specific program. Required Basic Music courses are printed in bold type on the following charts.

This does not apply, however, to many courses in Music Education, Theory, and Performance, particularly with reference to Applied Music and Performing Ensembles. Course descriptions and the annual timetable will provide specific details on course weights and unit values.
